

David Aprile (Deputy Chair)

David is a Mackay Born local. He qualified as a pharmacist in 1973 and completed a business degree in 1980; he became the founding partner of Mackay Day & Night Pharmacy Group in 1981. Following the groups expansion into cities out of Mackay he was appointed the managing director of Healthpoint Chemist Holdings which operates the Healthpoint Chemist Group of pharmacies. Healthpoint Chemist Group operates six pharmacies in Mackay as well as several pharmacies on the Gold Coast and Northern New South Wales. David is also chairman of directors of BAWD Pty Ltd, a property development and Investment Company which has a portfolio of leased and development properties based in Mackay. David is an associate fellow of both the AIM and the Australian Institute of Pharmacy management and in 2000 he received an award for Queensland manager of the Year (owner operator) from the Australian Institute of Management. He was recently granted CPA status membership in CPA Australia after being a member for many years. He has held many local community based board positions over the years and was an executive member of the Chamber of Commerce during the 1980s through to 1990. He took up a position on the Chamber Executive when it was re-activated. He is the current deputy Chair of the Chamber and represent the Chamber on the NQ Bulk Ports Corp Community reference group, the City Safe Group and City Focus group.
