

## Tim Miles – Committee Member

Tim Miles owns and operates the business advisory and consulting firm Results Plus Business Solutions based in Mackay. Tim is a qualified Chartered Accountant and a fellow of the Institute of Chartered Accountants.

With over 15 years of experience Tim has held senior executive roles in Australian corporate entities. He has been the Chief Financial Officer (CFO) and General Manager of various companies across industries including mining services, retail, hospitality, tourism and agriculture. He is also experienced in international project management and commodity export.

Tim has vast experience in the strategic and financial management of businesses with a particular focus on cash flow management and profit improvement, strategic planning and performance reporting. He also has extensive knowledge of starting up new businesses, business acquisitions and exit and succession planning.

Tim and his family moved to Mackay from Brisbane over 3 years ago and he quickly identified the fantastic opportunities and growth potential in the region but also that the advice, expertise and support growing businesses took for granted in the city was generally missing in Mackay.

He has a strong to desire to be a proactive member of the local business community and to help business owners succeed in business.
